

NEWCASTLE NEWS

SEPTEMBER 2024

On the week on October 7th-11th, will be Teacher's Appreciation Week. If you see a teacher, or any school staff please let them know how much you appreciate them. During this week you will see light blue ribbons & lights around town. This will symbolize Teacher's Appreciation Week. If you have a blue light or light blue ribbon, please let it be known during this week as well. Show your support to the teachers & staff and always be in prayer for all school staff.

The city will be providing breakfast & lunch for the school staff with the help of the community.

Coming Soon
