## JULY 2026

It's that time of year, where we HAVE TO do the annual utility increases. Only because the rates have increased for the city as well. The water rate will increase 15%, and the sewer rates will increase 4%.

The trash increase will come next month.

We're still looking for that YARD, for the YARD OF THE MONTH IN JULY!!!

We would love to congratulate Mr. Jerry Whiteley on the YARD OF THE MONTH for JUNE. We'll be presenting the winner for JULY soon.

\*\*\*Correction, last month's yard of the month was for the month of May. We started late and I'm having a hard time catching up. Hopefully I will get myself straightened out.
