The Newcastle Volunteer Fire Department would like to thank everyone who participated in the Trunk for Treat. And thank all the parents and children that came out. It was a very good turn out and we had a good time!!!

In the next few months, you will see a company in town by the name of Capital Underground Utilities, they are in town doing to work for the city.

******The city is going to have two dumpsters behind the city hall on Dec. 1st if you have anything you need to get rid of, until they get full & those two dumpsters will be all we'll get for the month. ********
